ATC introduces Appzillon DX Banking solutions during Cyprus FinTech Expo 3.0

We are very happy to announce the launch of our newest partnership with i-exceed on Appzillon digital banking solutions, helping smart banks gain competitive edge in a digitally driven world.

In specific, Athens Technology Center (ATC) is the Regional Partner of [i-exceed](#) for the greater European region, providing:

1. the **Appzillon DX Banking Suite**, a set of **pre-build omni-channel banking solutions** that secure consistent and seamless experience across all customer touch points for B2C, B2B, and B2E domains, providing solutions for retail and corporate, retail and corporate customer onboarding, digital branch, agency banking, and relationship management.
2. The **Appzillon DX Experience Platform**, an award winning low-code AI based development platform for quickly building and deploying omni-channel responsive apps and powering rapid digital transformation of legacy systems.

The official announcement of the partnership will take place on Thursday, January 16th, 2020 in Nicosia (Cyprus) during the **Fintech Expo 3.0**.

In ATC's booth (No30/31), the delegates will also have the chance to learn about [icrypto](#), a complete end-to-end Digital Identity Platform which verifies people's identity in real-time, in simple and secure steps, from any mobile device.

About Cyprus FinTech Expo 3.0

The Cyprus FinTech Expo 3.0 is a one-day event that brings together the leading experts from the financial services industry and FinTech companies. The event combines a variety of conference presentations and an exposition of the latest disrupting technologies in the world of financial services, providing an unparalleled business experience. During the event the attendees will have the opportunity to network with like-minded professionals and discuss further on the new trends and the future of the FinTech revolution in the industry.
