## ATC Recognized with Prestigious Partner of the Year Award in Oracle HCM Cloud solutions

Oracle recognized Athens Technology Center (ATC), a provider of end-to-end HCM solutions in Greece and Cyprus, with its Partner of the Year Award in Oracle HCM Cloud solutions. ATC is a Gold level member of Oracle PartnerNetwork (OPN). ATC was presented the Partner of the Year Award in Oracle HCM Cloud solutions for demonstrating excellence in a series of successful Oracle Cloud Talent Acquisition implementations in industries particularly sensitive to HR, such as NGOs, banking and tourism. This award comes as a culmination of ATC's innovative and committed spirit to serving Oracle clients by delivering Oracle solutions and services to solve critical business challenges.

Oracle's Partner of the Year Award encourages innovation by OPN members that use Oracle products and technology to create value for customers. The award reflects ATC's success in adopting OPN's approach, which is aimed at enabling partners to establish industry recognition by following a formal process to become specialized in key Oracle solution areas.

*"Oracle and ATC offer a powerful mix of human capital management technologies with professional services", said **Mrs Maria Mathaiou, Integrated & HCM Solutions Director of ATC.** "By offering a "blend" that includes Oracle HCM Cloud solutions, as well as implementation, training and advisory services, ATC are able to provide a more robust solution to their customers". "ATC has demonstrated an outstanding level of innovation in delivering proven, Oracle-based solutions that solve our joint customers' most critical business challenges," said **Jacek Piotrowski, Partner Digital transformation Leader A&C ERP, Oracle CEE & CIS, Oracle.** "We congratulate ATC in achieving the Partner of the Year Award in Oracle HCM Cloud solutions. This achievement is a testament to providing customers solutions and services that drive real business value and results."*

**About Athens Technology Center (ATC)** - Our extended expertise in web, mobile, cloud and database areas, secure a customized service that meets our clients' technology strategy tightly. In cooperation with industry leaders like Oracle, we provide on premise and cloud-based solutions and services for Learning, Recruitment, Certification Management, Talent Management, Virtual Classroom and Collaboration as well as professional services, like custom course development and integration with third party platforms including HRMS, LMS and Virtual Classroom, Intranets, Web portals and more.

**About Oracle PartnerNetwork** - Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
